

The first of many VIA “buppets” in the 1980’s, Buster starred in numerous TV commercials at the time. Now a fully grown champion of public transportation, Buster visits schools, community events, and other gatherings spreading good news about VIA Metropolitan Transit.

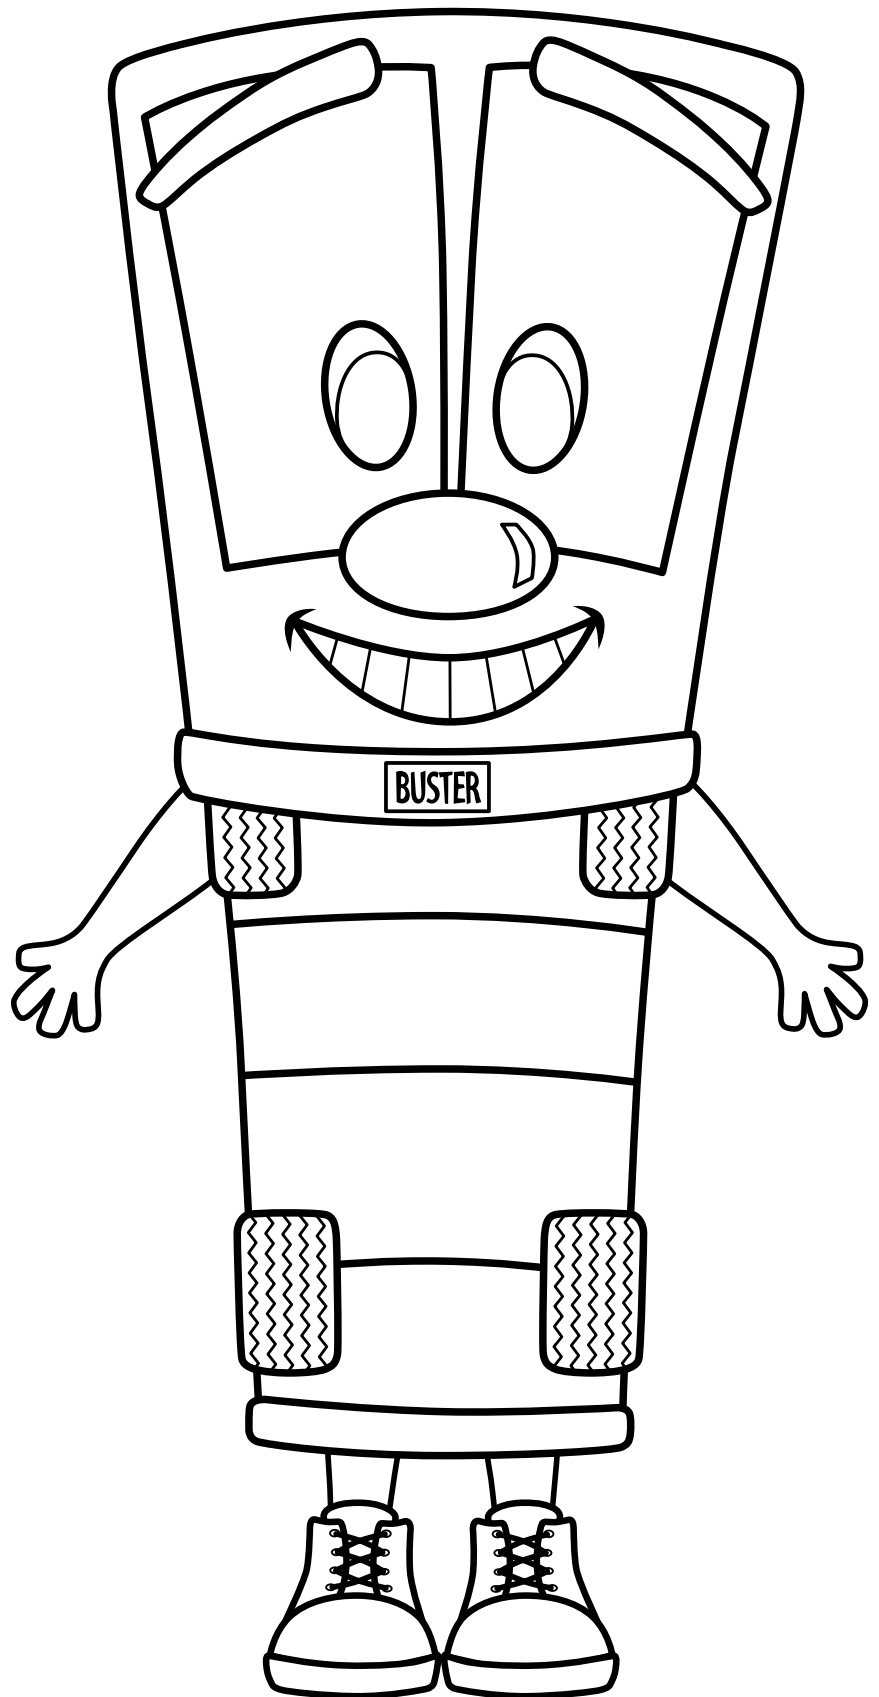

Buster’s Safety Tips

Riding the bus is a fun, convenient way to get around San Antonio. But Buster wants you to ride the bus safely using these simple tips:

1. When waiting for the bus always stand or sit away from the curb.
2. Never run alongside a moving bus.
3. Wait until the bus comes to a complete stop before attempting to board, and wait for others to get off the bus before getting on.
4. Take a seat immediately, or stand at the back if there is no seat available.
5. Do not block the doors.
6. Keep your arms and legs out of the aisle.
7. Do not make loud noises.
8. Never cross the street in front of or behind a bus. Wait until the bus has pulled away before crossing the street.
